City of Orange Added Colour And Flavour!

This year's Ryde Aquatic Festival welcomed visitors from the City of Orange who entered a team in the dragon boats challenge and gave away a truck load of apples from the orchards of Orange as a district promotion.

Guests included the mayor the City of Orange Clr Reg Kidd, Councillor Chris Gryllis and City promotions manager Tony Boland. They were distinctive in their bright orange coloured shirts and hats.

They made a real hit and impact at the Festival and we hope they will return next year.
